Report of Principal and School Improvement Council

The students and staff at Whittemore Park have much to celebrate! Our efforts have focused on improving achievement for all students with an emphasis on innovation utilizing 21st century tools. Our school received the SC Palmetto Silver Award for closing the achievement gap.

Students at Whittemore Park were recognized for many accomplishments during the past year. Six students were recognized as South Carolina Junior Scholars and twenty students were recognized as Explore Scholars. Sixteen students participated in the Jackson Scholar Mentor Program on the campus of Coastal Carolina University and nineteen students participated in Educational Talent Search on the campus of Horry Georgetown Technical College. Over sixty students were inducted into the National Junior Beta Club. Our band, chorus and orchestra programs continued to grow and excel. Thirteen students were named All-County Chorus, ten students were named all County Band and our orchestra program received a rating of Superior in competition. Students received iPads and laptops to allow access to personal learning pathways. The student and staff leadership team worked with the Quaglia Institute for Student Aspirations to explore ways to engage the community. Our students and staff participated in a record number of service learning projects that assisted organizations representing our community, our state, our nation, and our world.

Our staff members continued to grow professionally by participating in continuous professional development and graduate coursework. Danielle Watson was selected as Teacher of the Year. Two teachers presented at a statewide meeting for TransformSC. As a result of Whittemore Park being named one of six pilot sites in SC for innovation, we hosted visitors from across the state and nation.

Thanks to the generous support of our community, PTO and parents, we were able to provide recognition items for our students. Our staff, PTO, School Improvement Council and administration will remain dedicated to our goal of innovation and excellence.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	67.8
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
